General Rules -

- A Team can follow any theme of their choice
- Team Size : 5 - 12
- Background tracks are must for each performance
- Any form of performance other than fashion related choreography is not allowed and will lead to deduction of points.

Elimination Round -

- The elimination round is based on clothes and set-up presented. The choreography and sound are irrelevant for this round.
- Teams need to submit a write up during eliminations, which should contain specifications like duration, participant details, and information about props if any.
- Teams must bring along copies of their background tracks in pen drives which have to be submitted before eliminations.
- The elimination round is to judge your presentation of the theme. A preview of the line-up and basic portrayal of theme will suffice. In simple terms, it is to verify that the theme of the show has been portrayed properly.

Final Round -

- Each team has to perform their act on stage and ramp based on the theme presented by them in the eliminations.
- Importance will be given to clothing, walk, portrayal of theme with the setup (music, props) and originality.
- Teams are required to declare their backstage helpers during eliminations. They have to be present backstage to provide cues for music and light.
- Use of water, fire and any kind of fireworks (party poppers included) in any form on stage will result in disqualification.
- Points will be deducted for any display of vulgarity or dance movements on stage.
